Year 1887

I commenced Survey of Section

91 Town 6 North,
Range 6 West.

M. W. Clayton
County Surveyor.

Alex Gargus } Chain
Thomas Williamson } Beavers

High Taylor & B

Swan

COURSE.	DISTANCE.	REMARKS.
South	80.43	From N.E. to S.E.
West	85.74	" S.E. " S.W.
North	81.41	" S.W. " N.W.
East	87.08	" N.W. " N.E.

This makes the division lines running north & south some farther west than dividing the difference of my chaining & that of the Government deputy, ^{pro rata} would have made them but as the centro corner still had both trees standing and some of the improvements showed that they had conformed to that survey I did not feel justified in changing it
